## NET METER REQUEST

### Interconnection and Operating Agreement

In order to receive a Net Meter, please provide the information requested below, sign and return this coversheet plus a 200.00 non-refundable engineering fee by mail to the address above. Tongue River Electric Cooperative, Inc. (TRECO) will evaluate and provide an estimate of any cost that may be associated with necessary distribution/metering system modifications directly resulting from the installation and interconnection of the member's generator. TRECO will provide an estimate for any associated cost, if required. The member must pay the estimated cost and will be refunded if the actual cost are less than the estimated cost. Upon receiving payment of all estimated cost, TRECO will install a net meter, meter pedestal and any other associated equipment identified in the engineering evaluation and estimate. Tracking of excess electricity for billing purposes begins after installation of net metering equipment by TRECO. The member shall pay all costs associated with necessary distribution/metering system modifications directly resulting from the installation and interconnection of the member's generator.

#### Customer Information

TRECO Meter Number: \_\_\_\_\_

Name of TRECO Member: \_\_\_\_\_

Address: \_\_\_\_\_

Customer Contact: \_\_\_\_\_

Daytime Phone: \_\_\_\_\_

Type of Renewable Energy (check all that apply):

Solar Photovoltaic  Small-Scale Hydro  Wind

Name Plate Generating Capacity (kW): \_\_\_\_\_

Electric Permit Number: \_\_\_\_\_

Description of Proposed Installation and Operation:

*Give a general description of the proposed installation, including a detailed description of its planned location and when you plan to operate the generator*
